**Document ID:** DOC_CASH_01
**Title:** Cash Drawer Reconciliation
**Category:** Finance
**Version:** 1.0
**Active:** true

**Content:**

Purpose: Confirm that the cash in the drawer matches the day's cash sales.

1. At closing, count the cash drawer with a second team member present.

2. Remove the $150 starting amount and place it in the safe for the next day.

3. Compare the remaining cash with the point-of-sale cash sales report.

4. Record the counted amount, the expected amount, and any variance on the Cash Reconciliation Sheet. Both team members initial the sheet.

5. If the variance is over $10, notify the shift manager following Manager Escalation Procedures.

6. Place the deposit in a sealed deposit bag and drop it in the safe.
