Title: Store Closing Checklist
Category: Operations
Version: 1.0
Active: true

Content:

Purpose: Close the store safely and leave it ready for the next day.

1. Lock the front door at the posted closing time and finish serving guests already inside.
2. Clean the espresso machine following Espresso Machine Daily Cleaning.
3. Check and record all refrigerator and freezer temperatures.
4. Label, date, and store any leftover food. Discard brewed coffee and any expired items.
5. Sweep and mop the floors, and empty all trash bins.
6. Reconcile the cash drawer following Cash Drawer Reconciliation.
7. Turn off the lights, set the alarm, and lock the back door.
