Title: Store Opening Checklist
Category: Operations
Version: 1.0
Active: true

Content:

Purpose: Get the store ready to serve guests at the posted opening time.

1. Arrive 45 minutes before opening and disarm the alarm.

2. Turn on the espresso machine, brewers, and ovens.

3. Check and record all refrigerator and freezer temperatures.

4. Count the cash drawer and confirm the starting amount of $150.

5. Brew the first batch of drip coffee 15 minutes before opening.

6. Restock cups, lids, sleeves, napkins, and condiments.

7. Unlock the front door at the posted opening time.
